MAKES TEE A BETTER PLACE TO BE

A HEIGHT ADJUSTABLE AND SUPER FLEXIBLE TEE
PERFECT FOR TRAINING FROM RANGE MATS
BOTH INDOORS AND OUTDOORS

A brand new Swedish  invention by the start-up company Vippy Golf AB.

Prototypes have been developed on a small scale and the tests have been appreciated by both golfers and instructors.

Swedish patent and international PCT application has been filed with positive statements.

We are open to cooperation proposals that can help us simplify training for all ambitious golfers around the world!

SHARE TEE - Save time and get better flow with adjustable height, there is no need to change tee between players.

ADJUSTABILITY - Players are given the opportunity to find their own ideal height of the tee.

LOW RESISTANCE - Soft impact prevents you from extending your drives by a few percent.

NO CUTTING, PULLING OR OTHER - No need to cut or pull down to get the ideal height.

BALL PLACEMENT - Wider range of ball placement.

SAFETY - Vippy for both indoor and outdoor use.
